Landslide General Information

Type of failure:	<input type="text"/>	Landslide slope shape:	<input type="text"/>
Potential failure?	<input type="checkbox"/>	Slope gradient from toe to stream (%):	<input type="text" value="0.5"/>
Past failure?	<input type="checkbox"/>	Distance from toe to stream (ft):	<input type="text" value="0"/>

Landslide Volume Information

Future average width of failure (ft):	<input type="text" value="40"/>
Future average depth of failure (ft):	<input type="text" value="20"/>
Future average length of failure (ft):	<input type="text" value="100"/>
Landslide future delivery (%):	<input type="text" value="0.6"/>
Total volume delivered (cy):	<input type="text" value="1778"/>
